Keeping the Love for Dance in Motion

February Calendar

Saturday 02/18/12 @6pm –

Solo/Duet/Trio auditions!

☺ Good luck to everyone ☺

Wednesday 02/22/12 –

MMDC will be closed in observance of Ash Wednesday. Tuition will **not** be pro-rated for Wednesday students.

Inclement Weather Policy

In most cases, MMDC follows PG County Schools in relation to inclement weather closings. There are some instances where schools may close or dismiss early and the roads will be cleared in time for us to hold our regularly scheduled classes. MMDC will make every effort to send and email notification out AND update our voicemail (301-577-4772) as early as possible to advise you of our operating status. There will be no tuition adjustments or make up classes offered for classes canceled due to inclement weather.

Authentic Jersey Raffle

We would like to congratulate

of Miss Amber's Tiny Tot 1 class for selling the winning authentic jersey raffle ticket. The drawing was held Wednesday 02/01/12 and the winner will be receiving his Authentic "Doug Williams" throwback Redskins jersey soon!

Costume Balances due Saturday 02/18/12

Invoices for the balance of the costume payments started going home on Monday 01/30/2012. Please make sure to ask your dancer for your invoice or check his/her bag for it. We have already started ordering costumes and several are slated to be delivered at the end of March or early April. Costume companies will not ship your dancer's costume unless your balance is paid in full. If your balance is paid after 02/18/12, you may be subjected to additional fees as the studio may incur late fees from the costume companies and will have to pay for separate shipping.

Reminders –

We need your help...

- Fundraising is a vital part of keeping recital costs at a minimum. To date, participation in our fundraising efforts have been extremely disappointing. Please support our fundraising efforts!
- There are several families who are delinquent with tuition and/or costume payments. Costumes will not be ordered for any student whose account is not current. If you have a question about the status of your dancer’s account, please see a MMDC staff member.
- The time spent in the classroom is just the tip of the iceberg in developing your student into the best dancer he/she can be. There is a clear difference in the students who stretch and practice at home and those who don’t. We understand everyone is busy, but please allocate a minimum of 15 minutes per night for your dancer to stretch and/or practice. Dancing is just like spelling or math in school. If the student doesn’t take what was learned in class and go home and study/practice it, he/she will not get better!
- We welcome the students who are in multiple classes on Saturdays to pack a lunch and stay at the studio between their classes. However, we ask that you please make sure your dancer understands that noise levels should be kept to a minimum and inappropriate behavior will not be tolerated. Also, your dancer is responsible for keeping up with the time and making sure to report to class on time.
