Making Moves – Season 6

Welcome to the 6th season of Making Moves Dance Collective!
Our entire staff is geared up to make this the best year yet!

Each teacher will be holding a brief parent meeting the last ten
minutes of each class beginning Monday September 12th
through Saturday, September 17th. Each student is required to
have a parent or guardian in attendance at the meeting.

The staff has been directed by Miss Amber and Miss Kellie to
crack down on the students regarding: dress code, attendance,
punctuality and behavior in the classroom. We appreciate your
cooperation regarding these matters.

Community Events

We are proud to announce Miss Sherelle is our new performance coordinator. As such, she is responsible for scheduling MMDC for all of our community day performances and competitions. Miss Sherelle is "on it" as she scouts conventions, competitions and events that will help get MMDC's name out there. Our next event is New Carrollton Day which will be held on Beckett Field on Saturday 09/10/11. MMDC performers should report by 10:30am.

Referral Incentive

Last dance season we had one parent who didn't have to make a payment out of her own pocket until after December. How, you ask? It was simple. She referred family and friends to MMDC and for every person who registered because they were referred by her, she received a \$50.00 account credit!

This incentive is available to all MMDC families. Our goal is growth and expansion. We can't do that without you. Refer your family and friends to MMDC and every time one of them registers, you will receive a \$50.00 account credit too!
