

OCTOBER 2020 MONTHLY MOVEMENT

October is officially MMDC Homecoming month and we have so many fun activities in store for the studio. Each week will have a theme and we are encouraging ALL of MMDC (students, staff, parents and siblings) to take part and join us in the month long celebration.

10/5 – 10/10 – Jersey Week (rep your favorite sports team!)

10/12 – 10/17 – Pajama Week!

10/19 – 10/24 – Meme Week (Dress as your favorite meme!)

10/26 – 10/31 – Studio Spirit week (Wear your MMDC swag)

Thank You to Miss Jennifer Chase for organizing our PPE Supply drive and to she and Miss Tamika for manning the collection drop spot all day!

Our 100% virtual Double Good fundraiser pop up shops go live between Friday 10/16 and Tuesday 10/20.

Opening your shop is easy! Download the "Double Good" (DG) app on your phone or device. Enter event code "IFY VUV" and then create and personalize your pop up store. Set your fundraising goal and create your store. Then, share your pop up store link with family and friends. Post it on social media, tag your network and let the sales begin. Your customers order online, their order is popped fresh and delivered directly to their door!

The profit rate for the Double Good popcorn is 50%. All profits will be split 50/50 with half coming to the studio and half going to the account of the seller.

For example, if you sell \$500 worth of popcorn, your profit is \$250. Of that \$250, \$125 will come to the studio and \$125 will go to your account for tuition/costumes/competitions or any other fees as you see fit.

**HOMECOMING
STUDIO SPIRIT WEEK!**

10/26/20 - 10/31/20

We are committed to keeping our studio as safe and sanitized as possible and need your help doing so. We are soliciting for “Studio Safety Volunteers” for both the front and the back of the studio, with the priority being back of the studio volunteers.

We are asking anyone who is able and willing to help to sign up for a shift, parents, guardians, teens who need community service hours, older siblings. The duties are pretty straight forward and easy.

Front of the studio volunteers are asked to: make sure MMDC students and parents enter through the appropriate MMDC door. Even if the Ballet Academy door is propped open, we still need to enter through our appropriate side. Take temperatures of MMDC students and staff members who have classes in studios 1 and 2 and reminding the students to remain 6 feet apart, to remove their outdoor shoes before entering the classroom, waiting to be invited inside by the instructor, use the cubbies and sanitize their hands prior to class beginning.

Back of the studio volunteers are asked to: take temperatures for students dancing in studio 3 at the back door, reminding students to remove their outdoor shoes prior to stepping on the dance floor, reminding the students to stay 6 feet apart, assuring MMDC students use restroom “B” and Ballet Academy students and parents use restroom “A”. Sanitizing bathroom B after each use to include spraying/wiping down the light switch, door handle, sink, faucet handles, flusher handle and toilet seat and mopping the bathroom B floor at the end of the night. Wiping down, or assuring older students wipe down the vending machine after each use.

Solicitations are sent via email and you sign up using Sighnup.com.

#TeamMMDC face shields are here!

Pick yours up today. Shields are only \$10 each

Purchase your #TeamMMDC mask! On sale now and available at the front desk.

Masks are \$10 each.
