# ***WE NEED YOUR HELP!***

1. Please **DO NOT** have your dancer put their shoes on in the car and wear them into the studio. We cannot have shoes that have been walked on outside on our dance floors. Your dancer should wear their regular shoes into the studio, and change once they are inside. This includes Hip Hop students. As a reminder, all Hip Hop students should have a designated pair of sanitized shoes to wear inside of the studio.
2. We are in a shared space where we share a parking lot with several other businesses. Because of this, our female dancers should enter and exit the studio covered. We will not allow any dancer to leave out in just a leotard and tights and don't expect anyone to arrive that way, either. Please plan accordingly.
3. Finally, in an effort to avoid dancers crossing as much as possible, we have our dancers entering the front door and exiting the side door. Please plan to meet your dancer on the side of the building at their dismissal time.

Welcome to Season 16 at Making Moves Dance Collective. We are so happy to welcome back our returning family members and to welcome our new ones!

The entire MMDC staff is dedicated to making this dance season amazing for everyone. In spite of being in the middle of a global pandemic, we promise to provide a **SAFE** and **QUALITY** dance environment for your family.

**You will receive a \$50.00 account credit (good to be used towards any fees owed to MMDC) for each person you refer once they register and pay their first months tuition.**

**There is no limit to the number of referral credits you can get!**

**GOOD LUCK, MISS DELLAN!**

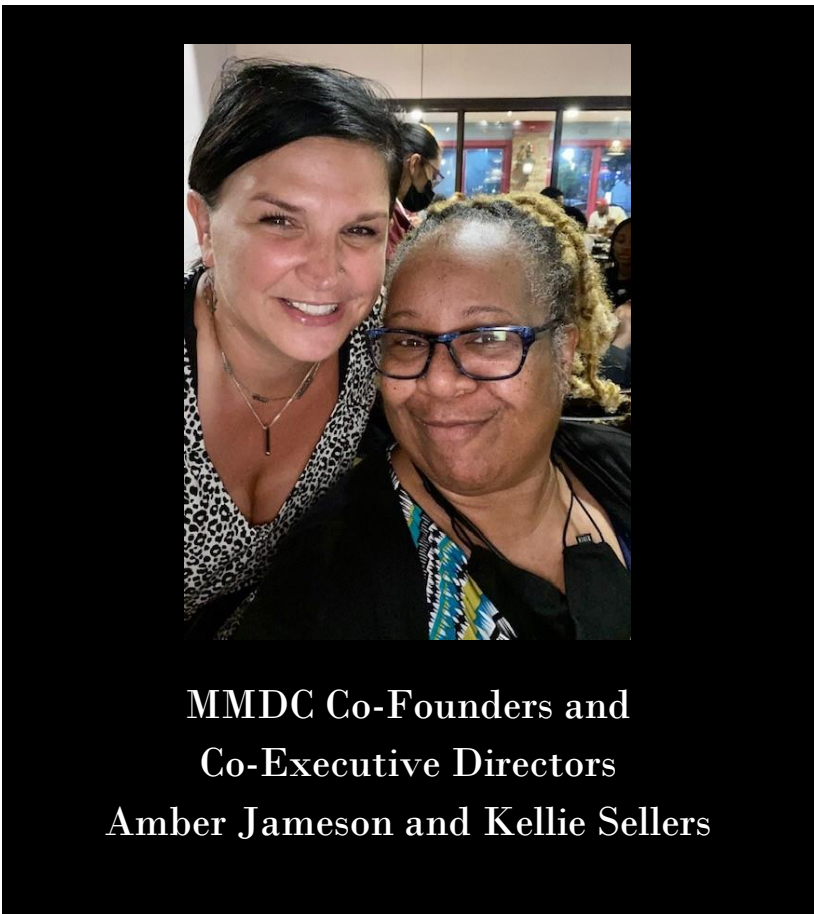

Miss Dellan, we are proud of you as you take this first step towards your future; however, you will be sorely missed. Your passion for this studio, for these kids and for keeping the love of the art of tap dance alive is truly amazing to see. We won't say goodbye, because we know you are family always. Thank you for all you have poured into #TeamMMDC and congratulations on your new position!
