Miss Keiva, a.k.a. Tommy's mom, has created a social circle for our male dancers called, Boys Dance Too. She will plan monthly activities for the boys of the studio to get together every month. The activities will include, but not limited to, laser tag, go carting, etc. We love that we have so many male dancers in the studio, but since they dance at different times, this is a great way for them to get to know one another outside of dance and form a brotherhood. Please keep your eye out for upcoming activities.

We want to thank Miss Keiva for this extraordinary idea and taking the lead in this effort to join our boys together to get to know one another and have some fun!!!!

Yanalyn personifies the joy and appreciation for the art of dance that Journey was so known for. Yanalyn has a smile that lights up the room and doesn't back down from any challenge she's faced with!

We are so excited to witness Yanalyn compete her very first solo this season! We know she will be amazing!

Whenever Miss Tiesha entered the studio, her passion for dance just radiated through her pores. The same can be said for Brooklynn. She always gives it her all and her positive attitude and energy is infectious.
