

May 2021 Monthly Movement

May 1

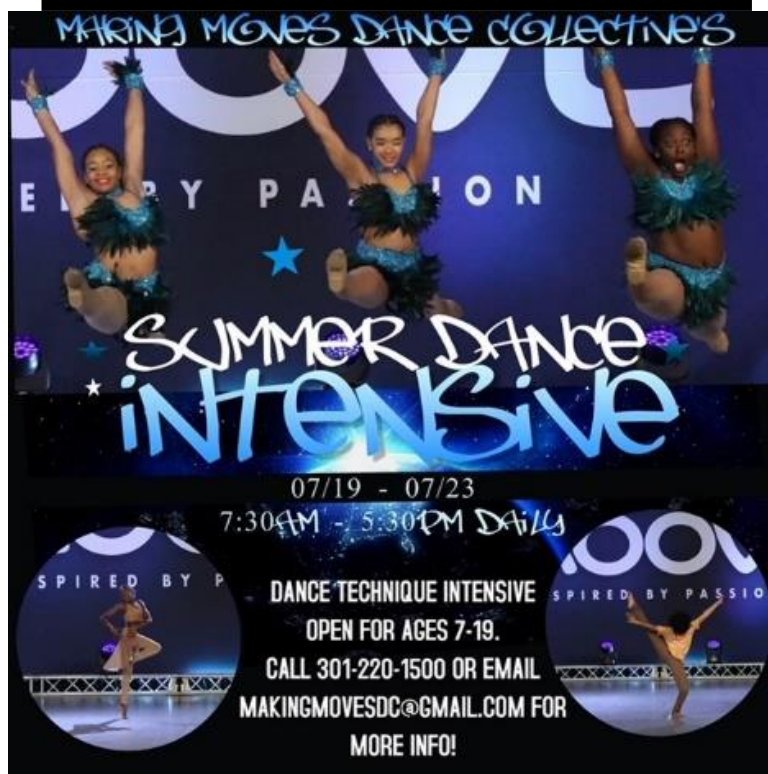

Recital Fee due - \$150 per student

May 14 – May 16

MMDC Pride and Hit Squad compete at On Point Competition – Hyatt Regency, Reston

June 6

MMDC's Season 15 Recital Recording –
“Stronger Together” at Chesapeake Arts Center

HEALTH AND SAFETY PRECAUTIONS

We wanted to stress the safety of our entire MMDC family is still our primary focus. We continue with our infrared temperature checks, hand sanitizer stations, reduced class sizes, required mask wearing, social distancing and sanitizing our bathrooms, studio spaces and touchable surfaces after each use. In addition, our dressing room, lobby and waiting areas remain closed!

SEASON 15 RECITAL Q&A'S

MMDC will be able to hold to a recital this season - Season 15! After not being able to have a show last year, we cannot express how happy we are. We feel like your favorite show that's been on break for too long and is finally coming back!

Though we are having a recital, things will be different. It is important that you read below to know just how different.

Please stay tuned to your email for specific reporting instructions for our dancers. Your instructions will include: hair and makeup, which costume to wear first, venue address and entry information and a look at what will happen during your dancer's block (class and individual pictures/performance filming/costume changes/exiting the building). We are confident in the safety procedures we have put in place and **ready to greet all of our dancers in person to prepare for our show.**

Q - When is the show and where will it take place?

A - The show is Sunday, 6/6/21 at the Chesapeake Arts Center - 194 Hammonds Lane Brooklyn Park, MD 21225. Our competition team families should be familiar as we have competed at this venue a few times.

Q - What time will my dancer have to report?

A - We are working out a filming schedule and will send a schedule out well in advance of the show!

Q - Will people be able to watch the show and if so how?

A - People will be able to see the show, just not on the day of filming. We have a videographer coming in to film the event. Each family will receive a digital download of the show once it has been edited. The show will also be streamed on a date still TBD. That way, although, we won't all be in the same venue, we can all still watch the amazing talent of our kid on stage simultaneously!

Q - Although a digital download sounds good, am I able to get a DVD or Blu-Ray?

A - DVD's can be purchased for \$10 each and BluRay's for \$20 if ordered in advance of our filming date of 6/6.

Q. Normally the videographer, recital venue and venue employees/technicians are paid using money from ticket sales and normally each family is required to sell a certain number to tickets. If there will be no live audience/no ticket sales, how will the show be financed?

A. There will be a recital fee of \$150 per student due by May 1st.

Q. What about recital pictures? Will there be a picture day?

A. We are working on coordinating picture day and will provide this information as soon as it's confirmed.

Q. I paid money for costumes last year? Do I have to pay again?

A. Any costume fees for last year, rolled over to this year unless a costume was purchased and distributed to your dancer (this would most apply to last year's competition dancers). If you paid last year, you would only be responsible if there is a difference in your fees from last year to this year.

MMDC PRIDE

Our Making Moves Pride and Making Moves Hit Squad competitive dancers have done an amazing job representing us all at Groove competition in March and Applause competition in April. Next up is On Point, the weekend on 05/14 and then On Point Nationals in July.

Being a member of the competition team requires a lot of time, discipline, focus and dedication not only from the dancer, but from the dancer's entire village. That said, it is an extremely awarding experience that most wouldn't trade for anything in the world.

We are looking to grow our team for the 2021/2022 dance season.

Auditions will be held Friday, June 11, 2021 at 6:30pm. Email us at

Makingmovesdc@gmail.com with your dancers name and age if they are interested.

Audition choreography videos will be emailed out on Friday, June 4 and dancers will have a week to learn and practice the choreography before coming in to audition on the 11th!

Let's GROW!
