

Making Moves Dance Collective Metro Directions

MMDC is metro accessible. Depending on your location and what time your dancer's class begins please check www.wmata.com for specific route information in your area. This is general directions from the New Carrollton, College Park, and Greenbelt Metro stations.

Train: Board the Green Line in the direction of Greenbelt. If you get off the train at PG Plaza or College Park please board the 86 bus in the direction of Calverton. When you arrive at the Sunnyside Ave stop please proceed off the bus and walk straight down Sunnyside. MMDC will be on your left hand side. If you get off at Greenbelt please be advised that the 89M runs every hour. This bus will let you off directly in front of the studio. If you feel your dancer will be late waiting for that bus it is advised that they catch a cab from the Greenbelt station to 5640E Sunnyside Avenue. It is about a 5 to 10 minute ride depending on traffic.

Bus: From New Carrollton, please board any of the G buses (G12, G14, etc) in the direction of Greenbelt. Once you arrive at Greenbelt please board 89M in the direction of Laurel. You can also board the F6 in the direction of Fort Totten and when you arrive at College Park board the 86 in the direction of Calverton. From College Park, please board the 86 in the direction of Calverton and from Greenbelt please board the 89M in the direction of Laurel.

*****Please note that the 89 and 89M only run Monday through Friday but the times have been extended. Please check the Metro website for that information. On the weekends the best route is the 86 or catching a cab from Greenbelt station.*****

I cannot stress enough. Please check the metro website pertaining to your neighborhood. MMDC is aware that buses run at different times but we don't have ready access to all the neighborhoods in the county. This form is courtesy for those who are on Metro. We can only provide information for buses that are accessible to the studio.
